## Springfields Pre-School Admissions Policy

Children can be admitted on the day of their third birthday. There are 26 places available each morning and 26 each afternoon.

It is our policy to try and meet parents' wishes where possible, however in some cases there may be more applications for a particular intake than there are places and in this instance admission to Pre-school will be determined by the oversubscription criteria detailed below.

### Oversubscription Criteria

If the total number of applications for admission to the pre-school setting exceeds the number of available places, then the following order of priority will be used to allocate the available places.

- 1) Relevant Children in Care, including those previously determined as Children in Care. (That is, children who were in care but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2) Children who have an elder brother or sister in attendance at the school and who will still be attending the school at the time of the proposed admission date. (*For admission purposes, a brother or sister is a child who lives at the main address provided and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the main address, whose parents live as partners.*)
- 3) Children living within the defined catchment area of the school.
- 4) Other children will be arranged in order of priority, according to how near their home addresses are to the school determined by Google Walking Route Map.

Where it is not possible to accommodate all children applying for places within a particular category then we will allocate the available places in accordance with the next criteria. If for instance, all the catchment area cannot be accommodated, children who are catchment and live closest to the school will be admitted next.

**How to apply** - Please contact the school for an application form.

### Additional Notes

Attendance at the Pre-school will not guarantee admission to our Reception Class or give any advantage to the child's application for Reception. Parents must reapply for admission to Reception at the appropriate time through their Home Local Authority.

In accordance with legislation, children who have a statutory statement of special educational need or Education, Health and Care Plan that names the Pre-school will be admitted to our Pre-school setting. This may reduce the amount of places available to other applicants.

Relevant Children in Care means children who are in the care of a local authority in accordance with section 22 of the Children Act 1989(b) and who (a) are in care at the time an application is made and (b) in relation to whom the local authority has confirmed that the children will still be in care at the time when the child will be admitted to school. It has also recently been extended to include those previously determined as Children in Care. (That is, children who were in care but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

The home address is considered to be the child's along with their parent/carers main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relatives address will not be considered for allocation purposes.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

If there are a limited number of spaces available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats or are the result of a multiple birth, then the child or children who will be offered the available spaces will be randomly selected by drawing lots.

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above. If places become available after the offer date they will be offered to the child at the top of the waiting list.

There is no statutory right of appeal for admission to a Pre-school setting. Any disputes over the administration of the policy will be dealt with by the Governor's complaints procedure.

Mrs E Goodfellow

### **Learning and Development in the Early Years Foundation Stage**

Children learn and develop through playing, exploring, being active, creative and being asked questions to help their thinking.

At our pre-school children will be provided with experiences and support, which will help them to develop a positive sense of themselves and of others, respect for others, social skills, building confidence and self-esteem resulting in a positive disposition to learn.

The pre-school will support children's learning and development in communicating, speaking and listening. In the role-play area children can develop their imaginations and we have a cosy corner for children to enjoy looking at books. During story/singing time we encourage the children to actively participate by

joining in. We provide a range of mark making media for the children to experiment with both inside and out.

The pre-school will support the physical development of all children by providing opportunities for them to be active and interactive and improve their skills of co-ordination, control, manipulation and movement. Children will also be encouraged to try new activities and to judge risks for themselves. We will support the children to use all of their senses to learn about the world around them and to make connections relating to what they already know and extending on this.

### **The Learning Environment**

By having a routine with positive encouragement, we try to create a good atmosphere within a safe a stimulating environment. Where a child feels secure and happy he/she is ready to learn. For a child, playing is learning.

We are guided by The Early Years Foundation Stage (EYFS) and our setting covers the four stages of the EYFS:

**A Unique Child** - is constantly learning and can be resilient, capable, and confident

**Positive Relationships** - children learn to be strong and independent through positive relationships

**Enabling Environment** - in which experiences respond to their individual needs and relationship between staff, parents and carers

**Learning and Development** - children learn and develop in different ways. This framework covers care and education to include all children whatever their needs and development.

**There are two areas of Learning and Development:**

#### **Prime areas**

- Personal, Social and emotional development
- Physical Development
- Communication and language

#### **Specific areas**

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

By using the guidance of The Development Matters document, we assess all our children when they enter our settings and are then able to plan their learning and development.

#### **Assessment**

We assess how the children are learning and developing through observations and by working with the children. The information we gain, which includes photographs, is documented in the child's learning journey. This is shared with parents via e-mail. Parents are also encouraged to share information about what their child likes to do at home using wow stickers. Open evenings are held three times a year.

## **Friends of Springfields First School**

Friends of Springfields First School is the parent, teacher and friend association (PTFA) at Springfields.

We are made up of a group of parents and teachers who come together throughout the year to organise fun activities for our children and families to enjoy and to raise money for our school. By having a child at Springfields you are automatically a member of the PTFA!

Some of the events that we usually run include:

- Christmas Fair (with a special guest visitor)
- Easter Trail
- Disco's
- Summer Fair
- Raffles
- Ice Pop Fridays
- Valentine's Day flowers
- Pop up shops for Mother's Day, Father's Day and Christmas.

We are super excited to host a circus at our summer fair of 2023.

These events always see a good turn out and are fun for everyone! We sold over 300 gifts at our Mother's day sale, where the children chose their own gifts for special people in their lives and we sold more than 100 maps for our Easter Trail.

Last Academic year we raised a whopping £6000, our biggest profits to date. The money we raise is spent on equipment and resources to improve our children's experience at school. In the past the funds we have raised have provided the school with a new library, new laptops, outside equipment such as picnic benches and a scooter rack. Every year we cover the cost of coaches for school trips, keeping the costs down for parents. For the last few years we have donated £100 per class for the teachers to spend on something they'd like for their classroom, this varies from class to class, from additional books to sand pits. We have paid for pantomimes and children's entertainers at Christmas time and this year the PTFA have donated £1000 towards the cost of new reading books for the whole school.

We send regular communications to parents through the school email system (which is PTFA funded) and we also have our own Facebook group "Friends of Springfields First School" so please join the group.

If you would like to get involved with the PTFA, whether it's coming along to our meetings to help plan events or volunteering at events, we would love to hear from you. Our email address is [ptfa@springfieldsfirst.staffs.sch.uk](mailto:ptfa@springfieldsfirst.staffs.sch.uk). All our events are run by parent volunteers so we really can't put them on without your support.

There are some great reasons to become active members of your PTFA, including making new friends and meeting other parents. You'll also be making a real difference to your school community and helping raise money for the school. Your children will also love that you are involved in their school, I know mine do!

Our current committee are:

*Chair - Anna Hawkins*

*Vice Chair - Sam Williamson*

*Treasurer - Erinna Freeth*

*Secretary - Amy Hill*

## **FIRST AID**

Should children need first aid to be administered, staff act in 'loco parentis' (as caring parents) and follow school procedures. If there is concern about an injury the child is referred to our qualified Paediatric First Aiders who in consultation with the Head Teacher decide the action that needs to be taken. All first aid applied is recorded. Parents are only informed if we consider there may be a delayed reaction, (in which case an accident form is sent home) or if we consider parents need to be contacted immediately. It is therefore essential that we have two contact telephone numbers for parents during the school day. Hopefully, these will never be needed for your child.

We aim to treat children who become ill or who have health problems with care and sympathy. If your child is taken ill at school we will try to contact you and arrange for them to be taken home. Most members of staff are qualified in Emergency First Aid.

In the case of emergencies or more serious injury, we shall try to contact you but no time will be wasted before calling an ambulance or a doctor and it may well be that we shall only be able to contact you afterwards.

We regret that we are only able to administer medicines which are prescribed by a doctor. No un-prescribed medicines (such as Calpol) should be brought into school and we regret that we are no longer able to administer these medicines unless they have been prescribed by a Doctor. Parents must ensure that medicines, particularly inhalers and eczema creams held in school have not passed their expiry date.

Requests for administration of prescribed medicine need to be made to the School Office and a parental consent form / health care plan completed. All medication must be clearly labelled with the owner's name, dosage and details of when/ how often it should be administered.

All children with long term health problems which require intervention by school staff will have a care plan completed by their parents.

A copy of our First Aid Policy is available upon request.

### Bookings and Cancellations

Advance booking is required for all sessions. Please fill in the relevant booking form. If you require an emergency booking on the day, please telephone our school office on 01785 337310 so we can check the availability with the Pre-school. We do not offer ad-hoc swap of the sessions. If you need to permanently cancel a session or require a permanent session change, please email [admin@springfields-first.staffs.sch.uk](mailto:admin@springfields-first.staffs.sch.uk), we will then check the availability, however we require a one month's notice for permanent cancellation or change of a permanent session. All absences must be paid for. If your child will not be attending a session for any reason, please telephone the school as soon as possible to inform us of the intended absence.

### Fees

Fees are collected via the ParentPay online banking system which is overseen by the school office. Parents are provided with a login to access their account and view/settle outstanding fees. This is a "live" system and the sessions are updated on a fortnightly basis.

You are able to add credit to your ParentPay account in advance and all arrears must be settled by the 14<sup>th</sup> of the following month at the latest, apart from the month of July when a full advance payment for the month is required by the 14<sup>th</sup> of July. Please note if you pay by childcare vouchers, it can take up to 28 days to process from date of the payment to reaching our school bank account and your ParentPay account updated, therefore the account will show in arrears until then.

Message reminders are sent out by our school office staff at least one a month.

### Late Payments

If you are unable to pay your fees due to personal difficulties you need to speak to the school Bursar immediately. At this point a method of repayment can be agreed. If the fees are not paid by the 14<sup>th</sup> of the following month or in advance in month of July, and there has been no notification of reasons, the school Bursar will follow this up and a late payment charge of £25 on the 15<sup>th</sup> of the month will be incurred. After this stage, the place in the Springfields Pre-school will not be available for your child until the debt is repaid and any unpaid debts will be passed to the Governors to discuss the situation with them. Please note if Springfields Pre-school discontinues its services due to non-payment, we are not obliged to keep the place available and it can be offered to another child if necessary.

As a final course of action, the debt recovery will be passed to the local authority.

### Discipline

The Springfields Pre-school falls under the Springfields First School discipline policy, which has been formulated in the ethos of the school and adopted by the Governors. In case of persistent breach of discipline, we reserve the right to withdraw your child's place without notice.

**Sickness and Accidents**

It is important for you to make sure that your child's enrolment form is updated as necessary with contact details and health information. We need to be fully informed of any changes in your child's health, such as the onset of allergies or any illness your child may be suffering from. Should a child become ill or incur an injury whilst in our care, every effort will be made to contact the parent/carer. Emergency medication may be given with your written consent. Forms are available in from the school office or from the Springfields Pre-school staff. We ask that if your child develops a doubtful rash, sore throat, discharge from eyes, diarrhoea or anything else that could be passed on to other children you keep him/her at home and inform your GP.

**Collection**

Please ensure we are informed if anyone other than the regular person will be collecting your child. We will require details of their name and contact number. If, in an emergency, you are going to be late collecting your child, please us immediately.

**Personal Property**

We discourage personal items being brought to the Pre-school. The Springfields Pre-school cannot be held responsible for any loss or damage to a child's personal property.

The main aim of the care we offer is the safe and happy well being of your child. If for any reason your child is not happy or has a particular problem, please do not hesitate to speak to the manager who will do her utmost to resolve the matter.

I have read, understand and agree to abide by the policies and procedures pertaining to Springfields Pre-school.

## City Catering's Values

We believe that food plays an important part in the school day. By providing pupils with a healthy, nutritionally balanced meal we help to support their learning and development during the day.

Our dedicated team some of whom are based in your school work hard to ensure that we deliver a range of meals each school day which will be enjoyed by your child. Our staff in your school are all fully trained and DBS cleared.

Eating in company helps to develop social skills so we aim to give all pupils the opportunity to have a school meal. For those with special medical dietary

requirements the menu can be adapted to suit individual needs. We aim to offer similar options where possible so that pupils appear to be eating the same foods. We meet with parents individually to put this process in place.

We take pride in serving all of our meals on Staffordshire manufactured plates and bowls, supporting the City's pottery heritage.

The health and wellbeing of pupils is and always will be our main focus, this is supported by us being locally based non-profit making business.

## Quality

Over 90% of our dishes are homemade. This means that we can produce them using quality ingredients that have been sourced locally wherever possible. All ingredients we use are checked to ensure our standards are met and for their suitability for special diets. There is no Monosodium Glutamate in our ingredients and no Genetically Modified food on our menu.

We put emphasis on sourcing environmentally sustainable and ethically sourced foods. Our fruit and vegetable suppliers work with local growers to make the most of seasonality. These factors are supported by our menu holding the Silver Food for Life Catering Mark awarded by the Soil Association.

A few other things you might find interesting about our ingredients:

- The meat that we use is farm assured ensuring animal welfare, food safety, UK origin and low food miles.
- We only use free range eggs.
- Fish serves is Marine Stewardship Council (MSC) certified.
- We support the '5 a day' campaign and use local growers where possible.
- A percentage of the meat we purchase is organic.
- City Catering has its own policies for Additives, MSG and Nuts to ensure that strict standards are adhered to at all times.
- Allergen information is available for all dishes served.

## Your School's Menu

The menu offer in your school has been chosen by pupils at your school. A consultation process was carried out during the Summer Term; this included asking pupils to vote on the dishes they wanted to see on the menu. Allowing schools to have this input means that each school's menu meets the preferred tastes of that school.

Once pupils had made their selection a three week menu cycle was created to ensure that the offer complies with the School Food Standards put in to place by the government. If you wish to find out more visit [www.schoolfoodplan.com](http://www.schoolfoodplan.com)

Our display menus main course options

are shown as meals, these act as a guide for pupils but are not set in stone. When pupils make their choice at the serving area they can choose what carbohydrates and vegetables they would like to accompany their choice. Portion sizes are in line with those recommended by the Children's Food Trust. Getting your correct portion size is important but does need balancing with changing appetites so flexible portioning is adopted on the carbohydrate choice to support main protein items.

In order to keep pupil's classic favourites on the menu we carefully select our ingredients and use healthier cooking methods. We do not fry goods, oil is not

added to the cooking process and dishes are made and cooked to our recipes not bought in prepared. Our kitchens hold the 'Eating Well to be Well' award which is an initiative within Stoke on Trent to promote healthier eating to customers. It is awarded by the Environmental Health Team following a strict assessment process.

There is always a selection of salad items and fresh bread (locally baked to our own recipe) available for pupils to have as an addition to their chosen meal at no extra cost.

Sometimes pupils prefer to choose the 'deli' option of a sandwich, baguette or wrap, or a filled Jacket Potato. There are a range of fillings available daily. Pupils still have a choice of dessert and drink with

this option and access to the selection of salad and fresh bread.

Each day pupils have a choice of dessert items. We always offer a traditional homemade dessert. Custard is optional for those who like it. The recipes for these desserts as with all of our recipes are carefully designed to use less fat, salt and sugar. Our chocolate desserts don't actually contain 'chocolate'. If pupils prefer they can choose from yogurt, Fresh Fruit or Crackers and Cheese.

Each meal is accompanied by a choice of drink. These options are all compliant with food standards.

If you wish to find out the cost of meals in your school please contact your school directly.

## Free Meals for Reception, Year One and Year Two

Take advantage of the government scheme (Universal Infant Free School Meals) which provides all pupils in Reception, Year 1 and Year 2 with a free school meal each day.

This scheme is an excellent initiative which saves parents time as there is no need to worry about preparing a packed lunch for school but more importantly saves money.

Welfare Free School Meals are still available for those who are eligible across all year groups.

## Did you know?

On occasions throughout the school year we will change the regular menu to celebrate special calendar dates, celebrations or to support topics on the curriculum. These menu changes allow us to offer pupils the opportunity to experience different foods and dishes but many are just a treat for pupils to enjoy.

To support schools we happily attend parent's evenings or meet with parents at arranged sessions to discuss topics around food, healthy eating and our service in school, offering parents the opportunity to try some of our menu items. We also carry out talks with pupils to support their curriculum learning around nutrition and food.

Tasters are often given out at lunchtime to encourage pupils to try new food. If after trying they can then maybe choose the dish when it's next on the menu.

## CITY CATERING

### Policy on Catering for Special Diets

Every child has the right to a varied and nutritious lunch menu, regardless of special dietary requirements and needs. It is of the upmost importance that any child suffering from a food allergy and intolerance can enjoy their school meal without risk of reaction.

City Catering will cater for all special diets, regardless of how complex or rare they may be.

### Our Policy

- ❖ We ask that parents provide us with written confirmation of the allergy/medical condition from a GP, Consultant, Dietitian or other health professional, which is passed on via the school. This is to ensure that children are not having foods removed from their diet without a diagnosed medical need.
- ❖ Once we have this information, our Nutritionist will contact parents directly, and wherever possible will arrange a meeting at the school to develop a bespoke menu. The Catering Supervisor is invited to attend, as well as the Pupil as it is important for them to take on ownership and understanding of their individual menu and food choices. Where ever possible, the pupil will be provided with a menu that is similar to their peers, so there is very little obvious difference in food choices.
- ❖ Once the menu is finalised, the Catering Supervisor receives copies of the menu and modified recipes and dishes are produced accordingly.

### Continued Support

We advise on steps to prevent reactions occurring, such as identifying and displaying information regarding allergenic ingredients, methods of food preparation/ cooking and eliminating cross contamination. Each kitchen also has an Allergen Folder which is updated on a regular basis, should any additional queries arise.

Throughout all this process, ensuring good communication between our Nutritionist, the Catering Supervisor, School and Parents/ Guardians is essential. Parents can contact our Nutritionist at any time and often do. It is essential that our Nutritionist is assertive and knowledgeable when speaking to Parents, as this ensures they continue to have faith and confidence in us. Letting someone else cater for a child with specific needs can be quite a daunting prospect for some parents, which is why we always make sure the highest standard of practice is adhered to at all times.

If you require any further information, please contact Jenny Roberts, our Nutritionist, via the contact details below:

Springfields Pre-school & Care Club c/o Springfields First School accepts both Childcare vouchers and 'Childcare choices' payments

Springfields First School is registered with the following providers:

- Busy Bees Benefits
- Allsave Limited
- Enjoy Benefits
- Fideliti
- Kiddivouchers
- Care 4 ( provider number 63686986)
- Computershare (provider number 0019625705)
- Edenred (provider number P21249029)
- Sodexo (provider number 224756)

Depending on a provider, they will request the schools provider number (if applicable) and / or schools' Ofsted registration number (124141) and / or schools postcode (ST15 ONJ).

Please remember to reference your payment with our cost centre **231592/68238** followed by initials if possible, to enable Staffordshire County Council finance department to allocate funds correctly. Without this reference, allocation will not be available and your Springfields Pre-school / Care Club account will stay in arrears.

Springfields First School is also registered on a gov.uk website - '**childcare choices**'. If you choose to pay through childcare choices, please ensure you email the school office with your TFC reference number eg. RSKE12345TFC, so we can inform Staffordshire County Council for the correct allocation of funds. Please note, without the TFC reference number, Staffordshire County Council is unable to allocate funds accordingly and your ParentPay Care club account will remain in arrears.

Please ensure you make all voucher payments to the Springfields First School account, not the Springfields Out Of School Club - SOOSC (this used to be an independent club operating during school holidays only) as the payment is not transferable between these two provisions.

If you choose to pay for the childcare via childcare vouchers or childcare choices, please remember it can take up to 4 working weeks for your ParentPay account to update with the payments made as all payments go via Staffordshire County Council account and are allocated to individual schools accordingly.

Parents working various shifts (Springfields Care Club):

As some professions require various shift patterns, the governors have agreed to pre-book care club sessions on a rolling basis with 4-6 weeks notice, as soon as the shift pattern is released for each particular period.

Springfields Care Club will accept our former pupils now attending local middle schools for the before and after school care - please contact [careclub@springfields-first.staffs.sch.uk](mailto:careclub@springfields-first.staffs.sch.uk) to check availability.

If you require an ad hoc or an emergency booking, you will need to email [careclub@springfields-first.staffs.sch.uk](mailto:careclub@springfields-first.staffs.sch.uk) before 6.30pm day before or before 12.30pm for an afternoon session to check the availability as we will not be able to accept children if the club is full for that session / day.

If you are running late or you cannot contact us via email before 12.30pm for the afternoon session, please phone the school office on 01785 337310 so we can check the availability.

## **FIRST AID**

Should children need first aid to be administered, staff act in 'loco parentis' (as caring parents) and follow school procedures. If there is concern about an injury the child is referred to our qualified Paediatric First Aiders who in consultation with the Head Teacher decide the action that needs to be taken. All first aid applied is recorded. Parents are only informed if we consider there may be a delayed reaction, (in which case an accident form is sent home) or if we consider parents need to be contacted immediately. It is therefore essential that we have two contact telephone numbers for parents during the school day. Hopefully, these will never be needed for your child.

We aim to treat children who become ill or who have health problems with care and sympathy. If your child is taken ill at school we will try to contact you and arrange for them to be taken home. Most members of staff are qualified in Emergency First Aid.

In the case of emergencies or more serious injury, we shall try to contact you but no time will be wasted before calling an ambulance or a doctor and it may well be that we shall only be able to contact you afterwards.

We regret that we are only able to administer medicines which are prescribed by a doctor. No un-prescribed medicines (such as Calpol) should be brought into school and we regret that we are no longer able to administer these medicines unless they have been prescribed by a Doctor. Parents must ensure that medicines, particularly inhalers and eczema creams held in school have not passed their expiry date.

Requests for administration of prescribed medicine need to be made to the School Office and a parental consent form / health care plan completed. All medication must be clearly labelled with the owner's name, dosage and details of when/ how often it should be administered.

All children with long term health problems which require intervention by school staff will have a care plan completed by their parents.

A copy of our First Aid Policy is available upon request.

## Bookings and Cancellations

Advance booking is required for all sessions. Please fill in the relevant booking form. If you require an emergency booking on the day, please telephone our school office on 01785 337310 so we can check the availability with the Pre-school. We do not offer ad-hoc swap of the sessions. If you need to permanently cancel a session or require a permanent session change, please email [admin@springfields-first.staffs.sch.uk](mailto:admin@springfields-first.staffs.sch.uk), we will then check the availability, however we require a one month's notice for permanent cancellation or change of a permanent session. All absences must be paid for. If your child will not be attending a session for any reason, please telephone the school as soon as possible to inform us of the intended absence.

## Fees

Fees are collected via the ParentPay online banking system which is overseen by the school office. Parents are provided with a login to access their account and view/settle outstanding fees. This is a "live" system and the sessions are updated on a fortnightly basis.

You are able to add credit to your ParentPay account in advance and all arrears must be settled by the 14<sup>th</sup> of the following month at the latest, apart from the month of July when a full advance payment for the month is required by the 14<sup>th</sup> of July. Please note if you pay by childcare vouchers, it can take up to 28 days to process from date of the payment to reaching our school bank account and your ParentPay account updated, therefore the account will show in arrears until then.

Message reminders are sent out by our school office staff at least one a month.

## Late Payments

If you are unable to pay your fees due to personal difficulties you need to speak to the school Bursar immediately. At this point a method of repayment can be agreed. If the fees are not paid by the 14<sup>th</sup> of the following month or in advance in month of July, and there has been no notification of reasons, the school Bursar will follow this up and a late payment charge of £25 on the 15<sup>th</sup> of the month will be incurred. After this stage, the place in the Springfields Pre-school will not be available for your child until the debt is repaid and any unpaid debts will be passed to the Governors to discuss the situation with them. Please note if Springfields Pre-school discontinues its services due to non-payment, we are not obliged to keep the place available and it can be offered to another child if necessary.

As a final course of action, the debt recovery will be passed to the local authority.

## Discipline

The Springfields Pre-school falls under the Springfields First School discipline policy, which has been formulated in the ethos of the school and adopted by the Governors. In case of persistent breach of discipline, we reserve the right to withdraw your child's place without notice.

**Sickness and Accidents**

It is important for you to make sure that your child's enrolment form is updated as necessary with contact details and health information. We need to be fully informed of any changes in your child's health, such as the onset of allergies or any illness your child may be suffering from. Should a child become ill or incur an injury whilst in our care, every effort will be made to contact the parent/carer. Emergency medication may be given with your written consent. Forms are available in from the school office or from the Springfields Pre-school staff. We ask that if your child develops a doubtful rash, sore throat, discharge from eyes, diarrhoea or anything else that could be passed on to other children you keep him/her at home and inform your GP.

**Collection**

Please ensure we are informed if anyone other than the regular person will be collecting your child. We will require details of their name and contact number. If, in an emergency, you are going to be late collecting your child, please us immediately.

**Personal Property**

We discourage personal items being brought to the Pre-school. The Springfields Pre-school cannot be held responsible for any loss or damage to a child's personal property.

The main aim of the care we offer is the safe and happy well being of your child. If for any reason your child is not happy or has a particular problem, please do not hesitate to speak to the manager who will do her utmost to resolve the matter.

## CITY CATERING

### Policy on Catering for Special Diets

Every child has the right to a varied and nutritious lunch menu, regardless of special dietary requirements and needs. It is of the utmost importance that any child suffering from a food allergy and intolerance can enjoy their school meal without risk of reaction.

City Catering will cater for all special diets, regardless of how complex or rare they may be.

### Our Policy

- ❖ We ask that parents provide us with written confirmation of the allergy/medical condition from a GP, Consultant, Dietitian or other health professional, which is passed on via the school. This is to ensure that children are not having foods removed from their diet without a diagnosed medical need.
- ❖ Once we have this information, our Nutritionist will contact parents directly, and wherever possible will arrange a meeting at the school to develop a bespoke menu. The Catering Supervisor is invited to attend, as well as the Pupil as it is important for them to take on ownership and understanding of their individual menu and food choices. Where ever possible, the pupil will be provided with a menu that is similar to their peers, so there is very little obvious difference in food choices.
- ❖ Once the menu is finalised, the Catering Supervisor receives copies of the menu and modified recipes and dishes are produced accordingly.

### Continued Support

We advise on steps to prevent reactions occurring, such as identifying and displaying information regarding allergenic ingredients, methods of food preparation/ cooking and eliminating cross contamination. Each kitchen also has an Allergen Folder which is updated on a regular basis, should any additional queries arise.

Throughout all this process, ensuring good communication between our Nutritionist, the Catering Supervisor, School and Parents/ Guardians is essential. Parents can contact our Nutritionist at any time and often do. It is essential that our Nutritionist is assertive and knowledgeable when speaking to Parents, as this ensures they continue to have faith and confidence in us. Letting someone else cater for a child with specific needs can be quite a daunting prospect for some parents, which is why we always make sure the highest standard of practice is adhered to at all times.

If you require any further information, please contact Jenny Roberts, our Nutritionist, via the contact details below:

[jenny.roberts@stoke.gov.uk](mailto:jenny.roberts@stoke.gov.uk)

telephone: **01782 236110**
